Students may rent a locker for use during the school year. The rental fee is \$5.00 for the school year. This fee is non-refundable. No outside locks on lockers will be allowed. Lockers are provided on a first come, first serve basis.

The following rules will be enforced:

1. The assigned student is responsible for the locker.
2. It is recommended that students not share lockers or the combination to the lock.
3. Lockers should be closed and locked at all times.
4. The student who has been assigned the locker is financially responsible for damage to lockers.
5. The school is not responsible for items left in lockers. The student may still be held financially accountable for instructional materials that have been issued to the student even if they disappear from the locker.
6. Valuables such as money, jewelry, cell phones, iPods, etc. should not be left in lockers.
7. School officials may search lockers without a search warrant, without notice, and without consent.

I have read the above rules and agree to abide by them or risk losing the privilege of having a locker.
