- One Order Form per Senior Ad (if you need more forms, please see Mrs. Jackson)
- Please enclose any pictures and written messages you want to appear in the ad.
- Pictures need to be clear: If the picture is fuzzy or blurry, it will not look good in the yearbook.
- In order to achieve the best quality, pictures must be in the original format. Pictures on Facebook, Instagram, Snapchat and screenshots do not produce a high-quality image. **Please send in original pictures if possible: either hard copies or digitally to BCHSYearbook@banks.k12.ga.us**
- **Please keep in mind the number of pictures and the number of writings that are sent and the size of the ad you are placing.** For example, do not send 10 pictures and two separate writings for a 1/2 page ad. Also, look at previous yearbooks to get ideas.
